

EASI-RECT FOLDING FRAME

The portable folding frame screen system from Harkness Screens

Harkness Screens is a leading specialist projection screen manufacturer, using unrivalled experience and the latest technology to provide innovative solutions for cinema, leisure and audio visual markets worldwide.

THE EASI-RECT PORTABLE FOLDING FRAME SCREEN SYSTEM

- The world's most versatile portable screen frame system :
 - set up in minutes without the need for tools
 - quickly folds into carrying/storage case
 - transportable in most car boots
 - accommodates front, rear and special effects projection surfaces
 - add Easi-Rect Drape sets for professional 'cinema style' appearance
 - made in the UK by the world's leading screenmakers

PROVEN DESIGN

- Constructed of 25mm (1") square section anodised aluminium with plated steel fittings and rubber non-slip, non-scratch padded feet.
 - bottom picture line 115cm (45"), adjusts up/down in 15cm (6") increments
 - forward / backwards tilt facility for overhead projector or specialist needs
 - frame available without legs for wall mounting (please see overleaf)

WIDEST RANGE OF SIZES AND FORMATS

- Standard sizes ex-stock in video, square, HDTV screen sizes up to 14' wide (see overleaf).
 - Larger screens up to 24' (7.3m) available to special order.

CHOICE OF INTERCHANGEABLE SNAP-ON SURFACES

- All surfaces with durable black masking borders incorporating snap fixings
 - Matt Plus, Matt Preview, Perlux 140/180 Gain, High Contrast Grey and Spectral 240 3D for front projection. Surfaces can be perforated if required.
 - RP230 for rear projection
 - Translite Super 2 for both front and rear projection
 - Webbing 2" (50mm) standard
4" (100mm) over 14' width

See Screen Surface Data Sheets for more information.*

Snap-on surfaces are interchangeable

EASI-RECT CINEMA STYLE DRAPE SETS

- Create a truly professional appearance with easy-to-fit drape sets:
 - available to fit any size screen
 - choice of materials - velour (colour choice)/black bolton
 - fitted in minutes
 - no tools required - all bars slot on to screen frame, skirt snaps to bottom of screen frame or optional adjustable skirt bar
 - supplied complete with storage / carrying case

EASI-RECT ACCESSORIES

- Adjustable Skirt Bar
 - raise/lowers the bottom picture line thus adjusting picture format - a square screen can be transformed to widescreen format. Order as screen size.
- Enhanced stability
 - Anti-tilt and anti-sway devices can be added to legs for extra stability. Useful for larger sizes and with drapes.
- Heavy Duty Flight Case
 - constructed to withstand the hardest knocks, available as alternative to standard case at time of order (extra cost) or add on item at any time.
- Speedi-Cranks and Star Bolts
 - useful spare items.
