

REGENT II MOBILE FLOOR SCREEN

Ultimate screen portability and style from Harkness Screens

Harkness Screens is a leading specialist projection screen manufacturer, using unrivalled experience and the latest technology to provide innovative solutions for cinema, leisure and audio visual markets worldwide.

Regent II mobile floor screen

Convenient and flexible, the new mobile self-standing Regent II screen from Harkness Screens represents the ultimate in portability, simplicity and style. Whether your show is for business, education or pleasure - the Regent II provides a totally professional appearance.

Application

Regent II screens are recommended for:

- Training rooms
- Boardrooms
- Reception areas
- Schools and Colleges
- Home Cinema

Construction

The projection surface is integrated into a strong, well designed black aluminium case (RAL 9005) that protects it from dust and damage. Smooth running wheels securely attached, and two carrying handles, make it easy to move.

Operation

Quick and easy set-up - simply pull the projection surface up out of the case. The scissor action securely locks the screen in place.

Features

- Matt White flame retardant projection surface.
- Scissor tensioning device ensures perfectly flat projection surface.
- Black masking (2cm) improves image contrast.
- Black backed surface.
- No loss of space through tripod feet.
- Available in 1:1 and 4:3 formats.
- Four castors and two carrying handles for easy transportation.
- Space saving storage.

Size

Available in:

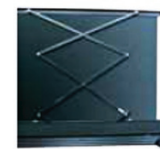

PICTURE SIZE (W x H)	A cm	B cm	C cm	Diagonal cm / inch	Weight kg
