

Propack

Propack provides high-density, high-power dimming in a compact 2U rack mount package. Each Propack features twelve 3000 watt dimmers connected to your choice of Socapex or terminal strip outputs to meet a wide range of applications. All Propacks feature our popular flat front circuit breakers that provide clear tripped-status indication and have no toggle handles that can break off. Control is supplied with our simple to set up and use digital processor.
