

301backup console

Portable or Rack Mounting Control System

The 301 console is a versatile multi-function console that may be used as a backup to any DMX512 lighting system and as a manual desk. It may also be used as a timed event controller. Capable of storing up to 144 cues on 12 memory pages, the 12 manual faders on the 301 offer simple and intuitive operation as a backup for any DMX512 lighting console. Unit may be used table top or rack mounted.
