

# BARREL TROLLEYS

Barrel Trolleys are normally used to suspend Pantographs from fixed or rolling pipe grids and barrel hoists. The new range of lightweight cast aluminium barrel trolleys from Doughty® are designed to roll along 48 to 51mm diameter tubes. The trolleys are supplied as standard with a socket to accept 28mm TV spigots. Braked and unbraked versions are available in crackle black powder paint
